**T**he flybridge helm has ample room for up to 15 people and has been fitted with a barbecue grill, large sofa with table, a sound system and a king size sun lounger all perfect for relaxing with company whilst taking in the 360 degree ocean views. The extra sun lounger in the forward cockpit offers yet another area from which to enjoy the ocean experience as you glide across the water.

The salon is fitted with generous modern galley space, a dining table that seats eight people, a reading sofa and drinks bar. Perfect indoor outdoor flow is created with the large windows and triple panel sliding doors which maximize the views from within the salon. The abundance of natural light throughout means that the interiors always feel roomy and bright.

## FLYBRIDGE

The flybridge has a convertible bimini. The large dining table at the rear has folding leaves that, when expanded, seats 12 guests. The flybridge also includes a large portside sunbed and starboard side grill, sink and icebox and a speakerdegree visibility. Here you have Yanmarelectronic engine controls and monitoras well as Raymarine auto pilot and touch screen navigation display. The wide teak aft deck with beautiful teak table is perfect for dining alfresco and comfortably seats storage and easy access to engine rooms underneath.
